4. Other items of interest:

a. Shipment of Personal Firearms To and From Foreign Posts

(1) 6 FAM 168 has been amended, effective 28 October 1970, to include a new paragraph -- 168.5 -- entitled "EMPLOYEE RESPONSIBILITY FOR SHIPMENT OF PERSONALLY OWNED FIREARMS AND AMMUNITION." This requires each employee to consult the post report and/or the post administrative officer to determine restrictions and limitations, if any, to ship personally owned firearms and ammunition into the country of assignment. It is now a requirement that the post report include prescribed procedures. If post reports are not available the employee, before initiating shipment, must secure written authorization from the Chief of Mission or his designee.

(2) 6 FAM 183 has also been amended, effective 28 October 1970, with the addition of a new paragraph -- 183.2-2 -- entitled "IMPORTATION OF PERSONALLY OWNED FIREARMS AND AMMUNITION INTO THE UNITED STATES." The procedures to be followed are the result of the importation provisions of the Gun Control Act of 1968.

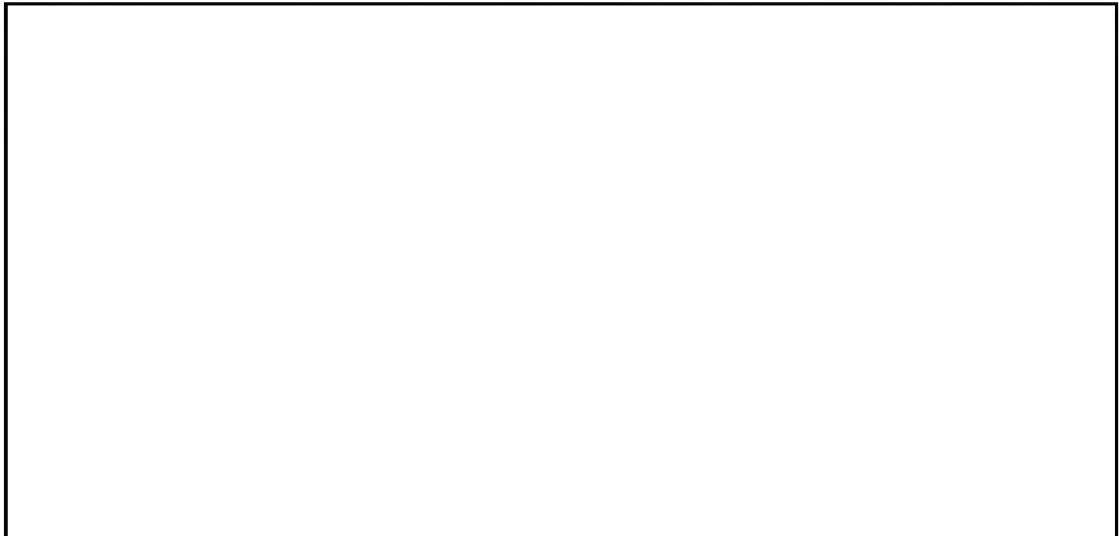

(3) Earlier we had advised you of the necessity to set up a positive briefing of outgoing persons on the shipment of firearms and ammunition and we have furnished you copies of all replies from Chiefs of Mission which state the limitations applicable to the country involved.

b. Fiscal Annexes Reminder -- [ ] requires that Fiscal Annexes be signed by the DD concerned ([ ] for the DDP), and the DDS (delegated to SSA/DDS). Also they must be coordinated with Director of Finance and Chief, Central Cover Staff. 25X1A 25X1A

\* i. Travel of Retirees to Receive Honor Awards Retirees called from their retirement point to be presented an honor award should be covered by a travel order for payment of round trip transportation and per diem. Spouses may be included in the travel order with Deputy Director approval but other members of the family attending the ceremony would be at personal expense. The rule of reason must prevail and this practice should generally be confined to medal presentations. Instances of use of this should be rare since every effort must be made to obtain approvals for honor awards well before the date the person departs.

25X1A

\* Discussed with [redacted] who affirmed this practice would be completely acceptable to the DDP.
